Message from Mr. Raski:

Hello Crull Families ! November is here and the holiday season and fun is coming quick. I wanted to inform you that our attendance is up at Crull this year! We are grateful for your support and continued engagement. Students need to be here every day so our highly skilled teachers can teach them. It's a simple formula for success and our achievement data is increasing because of it. Please keep up the great work on your end.

We invite you to attend parent-teacher conferences Nov. 15th-18th. Teachers will set up a time to accommodate your entire family, particularly if you have more than one child here at Crull. We try to make this easy because it's so very powerful for children to see their teachers and parents consistently engaged in their lives. Thank you for making this a priority.

No School - *No school* for students on Tuesday, November 8th due to teacher PSD and *no school* beginning Wednesday November 23rd-Friday November 25th for Thanksgiving break.

Picture Re-takes – Lifetouch will be here on the morning of November 9th for re-takes. If you weren't here on picture day or if you didn't like the way your fall pictures turned out then re-takes are for you. Please bring back your unwanted packets or money.

Fall Conferences – November 15th-18th will be ½ days of school with dismissal @ 11:48 a.m. due to conferences. Tuesday, November 15th & Thursday, November 17th will be evening conferences. Wednesday, November 16th & Friday, November 18th will be day conferences. We ask that you please be on time for your scheduled conference time. Everyone's time is important and we want to ensure everyone has adequate time with their child's teacher. We ask that each family fill out one of our survey forms that will be located at your child's classroom door. These surveys are anonymous but help us to better serve our families. The classroom(s) who have the most families to turn in a complete survey for their child will receive a special surprise.

Crull Community Cabinet – November 14th will be the opening of our Community Cabinet located in the room right next to our office .The cabinet will have non-perishable food items and personal hygiene items that have been donated. We all need a little help from time to time and if you are in need of a little help please feel free to visit our cabinet Monday-Fridays between 8:15-8:30 a.m. and 3:15-3:30 p.m. when school is in session and take the items needed no questions asked. If you are able to contribute to our cabinet we appreciate all non-perishable food items or personal hygiene items you can help out.

Contact Information – Please be sure that you keep your contact information updated with the school office staff. As the winter weather will soon be upon us and other important notifications from school it is crucial that your current contact information is correct. Contact information that should be current is phone, address and email for all parents and/or guardians. The district and your child's school send out important information via Skylert from School Messenger.

Weather Conditions – Michigan weather changes by the minute. Please make sure your child has a coat etc. for going outside. If it is not raining students will go outside so please make sure they have a coat or sweatshirt.

PTA Fall Fundraiser – Smoke Haus Healthy Choice packets will be coming home with your student on Friday, November 4th. Order forms and money will be due on Monday, November 21st. We will have samples of the products during conferences. Delivery date for items ordered will be on or before Monday, December 12th. Please help us reach our goal to support the many activities at Crull Elementary.
